

Dear friends

Historic Jamestown Society invites you to participate in our second annual Fiber Arts Festival at Mendenhall Homeplace on Saturday, April 29, 2023, from 10 am to 4 pm.

This community event will showcase a variety of historical fiber art techniques with fiber artisans stationed around the grounds and buildings. It is important we line up exhibitors as soon as possible to insure we will have a space for all interested artisans.

Can We Count On You?

You may bring items to sell, but if you do sell items we would appreciate a donation of 15 percent to our non-profit Historic Jamestown Society to help support the Mendenhall Homeplace since we are not charging a vendor fee. Hopefully this event will connect you with persons who will contact you later. Also dress up in period clothing if you wish

There is no rain date. In case of bad weather the event will be cancelled.

If there are things you need, please let us know. We can provide tables, chairs, canopies, etc for you if you let us know in advance.

Thank You for considering to participate. We look forward to hearing from you.
