

## **President's Note**

Hi fellow quilters,

I can't believe how fast time is flying by! Seems like we just had our last guild meeting and here it is the middle of August! Speaking of our last meeting, the attendance was great! We had 49 in attendance, several visitors and a new member! Keep up the good work!

Don't forget Labor Day is September 5th! We will not have a meeting! Our next meeting will be October 3rd!

With this issue, you will find a copy of our revised Bylaws and our budget for 2022-2023.

Looking forward to seeing y'all on October 3rd at the Swisher Center at 6:00pm!

Happy quilting,

Alice

Quilts of Valor:

We are so excited to be planning award ceremonies for 22 recipients at a DAR meeting in September and 10 (thus far) recipients at our guild meeting in October. Planning for November and December award ceremonies at veterans' events are underway. All of this is due, in part, to your generosity and support. If you're not involved in this effort, you're missing a blessing.

## SEPTEMBER GUILD SEW DAY

YES, Sew Day will be on Monday, September 12, 2022. We usually begin at 9:30 am and end by 3:30 pm. The Swisher Center staff opens our classroom door (#13 or 14) from the inside of the building, not the back side of the building. I'm sure that is for security reasons. If you are the first to arrive, please drive or walk around to the front of the building. It's always nice to say hi to the receptionist and notify her you are going to the classroom. Since everyone arrives at different times, just prop the back door open. The Center has daytime employees including a security guard so you are not alone in the building.

We are fortunate to have such a nice facility for our Sew Day and meetings. Please remember to leave the tables and chairs in the arrangement when you arrived. Also, pack an extension cord in your sewing accessories. Vending machines are available and require exact change. Bring your own lunch and snacks, or plan on going out to lunch. Our Sew Days are a fun social time to share our hobby of quilting and to ask for advice. It's like an "in progress" show and tell. Hope you can join us or stop by to say hi.

Our guest program presenter will reveal what life was like working at Simplicity Patterns in the 1960's-1970's during what was the peak, definitive time in the home-sewing industry. She will give a virtual tour of how sewing patterns were produced plus show fashions from her personal wardrobe of this era, discussing what apparel construction was like then compared to now. Her most famous and ground-breaking pattern was for the Holly Hobby® soft-sculptured doll, licensed to them by American Greetings™.

***We need reservations to plan for the food.*** Reservations due by October 1. No refunds except for Covid after October 8. **NOTE:** You may make multiple copies of the reservation form if you want to include reservations for guests.

**Theme:** Back to the 70's. Wear your bell bottom pants and flowers in your hair!

We have instituted a "Safety First" policy similar to the CDC:

- Have signs or symptoms, are sick or think you have COVID-19
- Are waiting for results of a COVID-19 test
- Have been diagnosed with COVID-19
- Have had close contact with someone with COVID-19, get tested after at least five days. Wait to travel until you have a negative test. Wear a mask if you travel up to 10 days after you've had close contact with someone with COVID-19

Depending on the state of our health environment at the time of the Annual Meeting, you may be required to wear a mask during the presentation. If you are averse to wearing a mask (should it come to that), please do not sign up for this presentation.
