Quilts of Valor-

We recently learned of and adopted a group of veterans in Raeford who requested quilts in 2019. I will be able to confirm the number once we have an inventory of quilts but I believe that it is 16. We currently have somewhere around 20 requests for quilts to be awarded at our April meeting.

How are we going to do all of this? With your help, of course!!! We need help making tops, longarming, and binding. If you can make a top, don't forget that we do have fabric. Our current supply is limited but there's still fabric from which to choose.

Last week, I began working with a group of middle schoolers who are going to make two Quilts of Valor that will be awarded to two of their teachers the end of February. We are using a simple pattern and they are doing great. I'll share pictures when we award the quilts.

Thank you for your support!!

February Sew Day-

Our January Sew Day was very well attended - 12 sewers!! And several ladies stopped by to say Hi. Everyone was ready to start stitching again in 2023. The holidays were fun but limited our time to sew. As usual, I have made numerous New Year resolutions for my UFO projects.

Our February Sew Day is Monday, February 13, 2023. We start gathering at 9:30 and leave around 3:00. Mark your calendar to join us. It's a great time to gather with friends for sewing, handwork, ideas and advice. We meet at The Swisher Center at Forsyth Tech in the same room #114 as our monthly meetings. Bring your lunch or go to lunch with your friend(s).

The door remains locked from the outside until the first person props it open. You can enter the building from the outside door to the left by the handicap parking. I look forward to seeing you!

These Community Outreach quilts are a team effort- We have a great team. Thanks to all who make this Community Outreach program a success.
