Hello everyone,

I hope this all finds you well and everyone had a joyous holiday season. This winter is turning out to be a bit colder and rougher so far. I certainly hope everyone stayed safe and warm during the recent snow event.

We will meet back at the Swisher Center at our normal time Monday, February 3<sup>rd</sup> at 6pm. I'm looking forward to seeing you all there.

## February Guild Sew Day

Hi everyone. I really missed seeing everyone at our January Guild meeting and Sew Day due to the Center closures. We'll plan on meeting Monday, February 10, 2025 for our monthly Sew Day. Join your friends at the Swisher Center beginning at 9:30. We usually end around 3:30. Come anytime that suits your schedule. It's a great time for uninterrupted sewing, cross stitch, knitting, etc.

If you are the first to arrive, the door may be locked. Enter the building through the glass doors to the left at the rear of the building. Prop the outside door open as it will automatically lock if allowed to close.

If you have any questions, call me.

## Upcoming Programs

Emma Jane Powell, our program presenter in March, would like you to fill out a short questionnaire to help her target her talk to our group.

April 7th Quilt Guild lecture: Free Motion Thread Painting / Thread Sketching

April 8th workshop: Free Motion Made Easy (9:00 AM - 1:00 PM)

Nancy Sapin is a Freelance National Educator representing Sulky of America for the past 19 years as a National Educator, designer, and a sample maker. In addition to lecturing and teaching for Sulky, Nancy also lectures and teaches workshops at various quilt and sewing guilds across the United States. You can find some of Nancy's designs in the last 3 Sulky books and see some of her other works on her website, [nancysapin.com](http://nancysapin.com).

Details regarding the workshop will be announced at the February meeting.

QOV

As most of you know, I have been pretty sick the last three months. Because of this, I haven't spent any time working on Quilts of Valor stuff. I guess it's time to ask for help. I need help prepping block kits and quilt kits to be passed out at guild meetings. This involves cutting fabric and bagging it with instructions. I have simple patterns like rail fence and nine patch. This can be done at your house or mine. I have plenty of fabric to use. If this is something you would like to help with, please text me at 336-817-3347 or email me at [quiltedsanity@aol.com](mailto:quiltedsanity@aol.com). I don't have much of a voice yet so can't talk on the phone.

If you would like fabric to make a quilt using your pattern choice, please reach out to me at the number above and I can put fabric out for pickup for you. We currently have 15 names and 12 quilt tops. I am collecting blocks as well as quilt tops so they can be put together into tops if that is all you have time for. Every little bit helps. At a future date I will have quilt-as-you-go style quilts (just like Linda's community quilts) for QOV, but that's for another day.

Thanks so much.

## Retreats

Information on our Fall Retreat will be available later this month. The overwhelming majority wanted to stay at Camp Walter Johnston. If my medicine starts working and I can pull off another retreat, I will schedule it for Haw River Conference Center, but that also is for another day.
