Do you have a relative or friend who is a veteran or who is currently serving in the military? If so, we want to recognize and award them a Quilt of Valor. Please complete the attached form (with this email) and return it to either me or Liz Burk and we'll take it from there.

We will be awarding 20 veterans and two active duty members quilts during the September meeting of the Guilford Battle Chapter of NSDAR. We are planning to award an additional 20 quilts during a veterans luncheon in December. If you aren't involved, you are missing a blessing.

BYOB -- in quilters' language that means "Bring your own BAGS". I will be bringing the last 3 boxes of fabric from our recent Granny's Boutique to the next meeting, along with the huge plastic bag of fabric that was less than 1/4 yard, also known as scraps for all you Scrapaholics! I'll have some plastic bags as backup. Now is your chance to give some pretty fabric the perfect home-- your stash!

August Sew Day

Join us on Monday, August 8, 2022 for our Guild's monthly Sew Day. We meet at the Swisher Center from 9:30 to 3:30 in the same room as our regular meeting. It was nice and cool inside in July. You may want to bring a light jacket. So, it's a great place to beat the heat, sew and socialize. Bring your supplies for machine sewing, handwork, basting your tops, etc. You deserve a day of being with friends and enjoying your hobby. See you there!

Any questions?

To the membership:

We propose to have a new committee created for our retreats. Due to problems in the past with members being responsible personally and financially for the retreat contract and monies, we propose that the Guild add a committee to our Bylaws.

History:

The retreat has always been advertised as a Guild retreat, yet the responsibility of the retreat contract/monies has been for the individual member who plans the retreat. Any monies collected was handled by the individual member. With Covid restricting our ability to hold a retreat in the last two years, it fell upon the retreat planner to collect the refund from the retreat center and reimburse the members who signed up for the retreat. Due to personal reasons, it has taken some time to get this done. It would have been completed in a more timely manner had it been handled by the Guild. Without this bylaw change, there is no protection for guild members from losing their retreat payments in the future.

Bylaws Addition Proposal:

Article VIII, Section 12. RETREAT - In charge of setting up and making all arrangements for retreats. Communicates information and deadlines with participating members. All monies for the retreat will be deposited/dispensed by the Treasurer utilizing the Guild main account.

This bylaw change will be discussed and voted on at the August meeting.

This is what was documented in the newsletter.

Update to bylaws to include a retreat committee -

Tracy Burkart explained need for update due to problems in the past two years-

- Explained in past one person handled everything. No monies were handle by guild treasury.

Last two years retreat was cancelled. Fees have not been returned

- Group discussed pros and cons. Will be further addressed and voted on at the August meeting.

This is the final month of the '21-22 mystery quilt pattern.

WEEK 8 INSTRUCTIONS

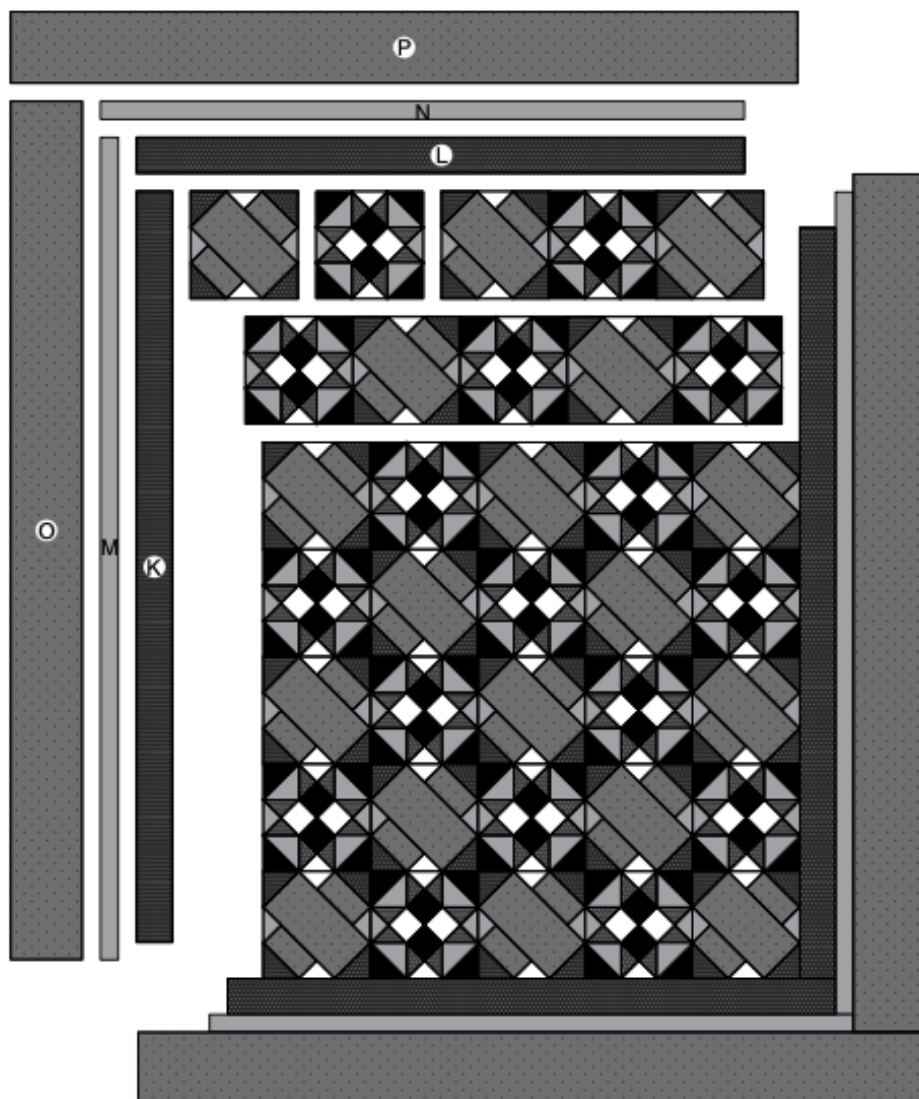

Note: Use a $\frac{1}{4}$ " seam allowance and stitch right sides together for all construction unless otherwise instructed. It is important to keep same units and pieces together. We suggest using sandwich bags. Be sure to label each bag with the unit or piece reference name.

- Join the K/L strips on short ends to make one long strip; press seams to one side. Cut the strip into two each $3\frac{1}{2}$ " x $63\frac{1}{2}$ " K and $3\frac{1}{2}$ " x $51\frac{1}{2}$ " L border strips.
- Sew the K borders to opposite long sides and the L borders to the top and bottom of the pieced center referring to the Assembly Diagram. Press seams toward the borders.

Fool's Gold Mystery Quilt

- Join the M/N strips on short ends to make one long strip; press seams to one side. Cut the strip into two each 2" x 69½" M and 2" x 54½" N border strips.
- Sew the M borders to opposite long sides and the N borders to the top and bottom of the pieced center. Press seams toward the borders referring again to the Assembly Diagram.
- Sew the O border strips to opposite long sides and the P border strips to the top and bottom of the pieced center to complete the quilt top. Press seams toward O and P borders.
- Sandwich batting between the pieced top and a prepared backing piece; baste layers together. Hand- or machine-quilt as desired.
- When quilting is complete, remove basting and trim batting and backing fabric even with raw edges of the pieced top.
- Use eight 2¼" by fabric width coordinating strips to prepare binding. Stitch to quilt front edges, matching raw edges, mitering corners and overlapping ends. Fold binding to back side and stitch in place to finish the Midnight Paths quilt.
